Approximately 25 people gathered at Desert Foothills Library to celebrate the passage of Proposition 440, which received an impressive 63.7% voter approval in November's election! The self-imposed 0.25% sales tax is scheduled to take effect in 2027, with the proceeds dedicated to helping the Town acquire the 4,005 acres of Open Space. The properties are expected to go to public auction in mid-to-late 2027.

The gathering also provided an opportunity to share the presentation delivered at the November 17 Cave Creek Town Council meeting. Merchandise was on display, and attendees had the opportunity to explore the information available at 4005openspace.org. The presentation sparked an engaging discussion, followed by an enthusiastic question-and-answer session, giving everyone a chance to learn more about the initiative and the future of Cave Creek's Open Space.
